

Decorative Canopy Series

10' x 20' Celebration II Heavy Duty Canopy

Quality Construction. High Style. Great Value. Choose 3.

- The 10' Wide Celebration II Heavy Duty canopies are manufactured to perform and look good doing it. Built for seasonal shelter situations that demand high performance and style in one easy to assemble unit. Starting with high grade steel, every frame pipe and connector is subjected to a proprietary 13 step Rhino Shield surface preparation process.
- Heavy duty 2" outside diameter all steel frame, bonded with Dupont™ thermoset baked on powder-coated finish prevents chipping, peeling, rust and corrosion.
- Decorative, one-piece, fitted, quality grade, polyester fabric cover with full valance and enclosed gable design. UV treated inside and out with added fade blockers, anti-aging and anti-fungal agents. UV treated inside and out with added fade blockers, anti-aging and anti-fungal agents that withstand the elements.
- Polyurethane inside lining, double-stitched and seam sealed with waterproof tape for optimal water resistance and drip-free seams.
- Sturdy 8-Leg design assembles quick and easy with slip together swedged tubing. Covered gable ends attach with heavy duty hook and loop fasteners for a clean finished look.
- CPAI 84 Section 6 Compliant for FR Rating.

Great For: Backyard events, decks, outings, seasonal shade and protection, special and corporate events.
