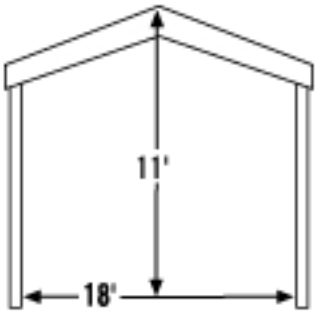
Industrial Grade Shade.

- The ultra wide SUPER MAX Canopy is the perfect seasonal storage or event solution. Starting with high grade steel, every frame pipe and connector is subjected to a proprietary 13 step Rhino Shield steel surface preparation process.
- Professional grade 2" outside diameter all steel frame, bonded with Dupont™ thermoset baked on powder-coated finish prevents chipping, peeling, rust and corrosion.
- Advanced engineered, triple-layer, chemically heat bonded enhanced quality weave, polyethylene fabric is rip-stop and 100% waterproof cover. UV-treated inside and out with added fade blockers, anti-aging and anti-fungal agents. Fitted, fully valanced cover.
- Rock solid design assembles quick and easy with slip together swedged tubing. Patented Twist Tite™ tensioning squares up frames and tightens down covers for a clean and finished look.

Great For:

Seasonal vehicle storage, vendor canopy, boats, camping, decks and patios, pool areas, special and corporate events, seasonal shade and protection.


- Labeled packaging.
