

6000 Series - Modular Dog Kennel Accessory KennelLogic™ MDK 886 Duplex Kit

MDK 886 - Sold Separately

MDK 886 - With Duplex Kit

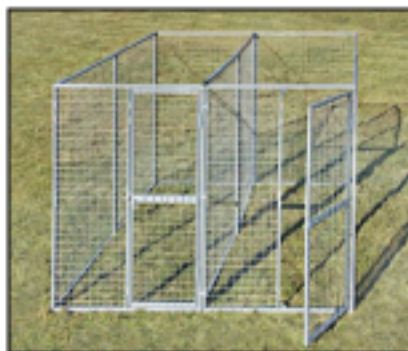

60175 Kit Includes

Create your own kennel configuration with the MDK Duplex Kit

- KennelLogic Duplex panel system allows quick conversion of our 8' x 8' 6000 Series 6' wall kennels to 2 - 4' x 8' side by side kennels, add a door or create the exact kennel footprint for your situation. Great for separating dogs or quick set up of a multiple kennel configuration.
- Modular panels are 100% interchangeable with 6000 Series MDK 886 Kennels.
- Each heavy duty, all steel, 1" square tubing, with 2" welded mesh wire, carbon steel panel is bonded with Dupont™ thermoset powder coat finish that holds on tight, preventing chipping, peeling, rust and corrosion.
- Using only a 7/16" wrench, the Duplex kit can be installed in minutes.

The MDK 886 Duplex Kit
(Shown with roof panel removed)

Convert a standard MDK 886 into a Duplex Kennel by replacing one existing outside panel with the included door panel. Then using the panel replaced by the door, and the panel included in the Duplex Kit to separate the inside of the kennel.

Great For: Modifying MDK 886 Kennel for dogs, small animals, livestock shelters.

- One full-color graphic retail package.
