

# 4000 Series - Modular Dog Kennel

## 8' x 8' - MDK 884

### Bigger. Better Built - 8' x 8' Modular Dog Kennel.

- Introducing the Modular Series of Dog Kennels and Livestock Shelters. Built with sturdy 2" square mesh 3mm diameter wire grade steel frame.
- Innovative integrated push button snap roof design with square electroless nickel-plated powder coat connectors. All steel frame, bonded with Dupont™ thermoset baked on powder-coated finish.
- Solid welded door panels with steel machined lockable latch assembly. Using only a 7/16" wrench the Modular Kennel's clamping system is 100% interchangeable and goes from box to backyard in less than 60 minutes.
- Advanced engineered, triple-layer, rip-stop waterproof polyethylene weave cover. UV treated inside and out with added fade blockers, anti aging and anti-fungal agents. Four point adjustable cover tie downs keep cover tight to frame.
- 3/4" Kennel Lift Spacers add strength and stability to the frame and allow for easy clean out function.
- Oversized 24" X 45", reinforced door frame with escape proof door lockable latching system for easy access.

### Great For:

Dog, animal or livestock shelter, backyards, decks, patios or garage.

- Two full-color graphic retail packages.
