

## Port Shelter Series

# 12' x 20' x 8' Carport-in-a-Box®

### The Original Carport-in-a-Box®. Easy Assembly.

- Our 12' x 20' x 8' Carport-in-a-Box® is built for warmer climates where optimal air flow and shade are needed. Like our garage and shed products, the Port-in-a-Box™ is constructed with high grade steel.
- Every frame pipe and connector goes through a proprietary 13 step Rhino Shield Surface prep process. Heavy duty 2" all steel frame is bonded with Dupont™ baked on thermoset powder coat process prevents chipping, peeling, rust and corrosion.
- Advanced engineered, triple-layer, chemically heat bonded enhanced quality weave, rip-stop, waterproof, polyethylene cover. UV-treated inside and out with added fade blockers, anti-aging, anti-fungal agents resulting in a fabric cover that withstands the elements.
- High profile white interior provides enhanced illumination.
- Swaged tubing for slip-together easy assembly.

**Great For:** Seasonal protection and shade, boat, vehicle, ATV's, PWC's and bulk storage.

- One full-color graphic retail package.

## Model #62656

### Package Includes:

- (1) 12' x 20' x 8' All steel frame
- (1) One-piece, fitted, polyethylene cover
- (4) Ratchet tie-downs
- (4) 15" Auger anchors
- Steel foot plates
- Easy step-by-step instructions

### Packaging Specifications:

- Pallet qty: 6
- Container qty: 240
- Total weight: 177 lbs.
